

# Return and Earn local donation partners

Return and Earn donation partners are schools, sports clubs, charities and community groups featured on their local Return and Earn reverse vending machines (RVMs) for a period of six months. This round of local donation partners can receive container donation refunds from customers and supporters until 3 April 2022 simply by selecting the donate option on the RVM screen to donate their empty bottles and cans to a local cause.

Local government area	Return and Earn reverse vending machine (RVM) name & address	Local donation partner
