

# Return and Earn Local Government Network Volumes Report 1 December 2017 - 20 November 2022

Local councils across New South Wales are a valued partner in the delivery of the Return and Earn NSW container deposit scheme.

As landlords of return points providing access to their community, supporters actively encouraging locals to participate, or sharing in the refund from containers collected through kerbside recycling to funnel back into their community, councils are vital to shifting community attitudes to litter and recycling and ultimately the success of the scheme.

Input your community's container volume into our [Return and Earn Impact Calculator](#) to discover the water, energy and landfill savings, and CO2 emissions avoided from your community's participation.

**Table 1: NSW Local Government Area - Return and Earn network collections by material type (volume of containers)**

*Note: the data for each local government area includes Return and Earn machines (RVMs) and automated depot (AD) return volume for the first four years of the scheme, from 1 December 2017 to 20 November 2022.*
