

Return and Earn local donation partners

Return and Earn donation partners are schools, sports clubs, charities and community groups featured on their local Return and Earn machines for six months. Anyone using a Return and Earn machine has the option to donate some or all of their container refund to a local cause simply by choosing the donate option and then selecting the local donation partner from the list on screen. This current round of local donation partners will be featured on the machines until 16 October 2022.
